

ARAB WORLD TOUR

UNITED ARAB EMIRATES

The Cercle d'Études Scientifiques Pierre Rayer, in collaboration with Copains du monde, Mérite et dévouement français, Étoile Civique, and the World League for the Right to Happiness will launch the second step of The Arab World Tour on April 25th. This tour aims to present and promote the universality of culture to encourage world unity around common values; to raise awareness of the importance of the Right to Happiness through cultural access.

The Cercle d'Études Scientifiques Pierre Rayer will present *Universae Analysis*, "The Method of Analysis and Interpretation of Works of Art," which demonstrates that there is only one common origin to all the cultures of Humanity: a vector of peace between peoples around art, culture, and the transmission of the Knowledge of the world's cultural heritage to the youth and the whole society.

TRANSMISSION

This Tour, planned in the United Arab Emirates, Saudi Arabia, and Egypt, is addressed to the world of art and culture and the whole world, as its stakes are cultural, financial, and even geopolitical.

Indeed, since childhood, the researcher Thierry Rayer has been passionate about art and history. Inspired by his genealogy and the last historical figures of his family, such as Napoleon 1st, Napoleon 3rd, or Pierre Rayer, Thierry Rayer offers Humanity his discovery of "Universae Analysis," which allows decrypting the art and architecture of the whole world.

It is a revelation!

SAUDI ARABIA

His mission? To transmit culture and knowledge to the youth and all people so that happiness, peace, and the common origin of culture can pacify our societies.

SENSATIONAL

This Tour will be the subject of conferences illustrated by works of art created by Constantin Brancusi, including the sculpture "Le Baiser de 1905", the first work of modern art in the world and a vital work of the Universae Analysis discovery.

EGYPT

During the Tour, which will begin in 2023 in the United Arab Emirates, a special edition of the Transmission Magazine will be presented to the most eminent personalities of the Arab world.
