

ANNOUNCEMENT: CONSTANTIN GROWS PRESENCE IN THE UNITED ARAB EMIRATES WITH ADDITION OF DUBAI-BASED PARTNERSHIP BM MANAGEMENT CONSULTANCIES.

By joining forces with BM Management Consultancies, Constantin significantly strengthen its professional service offerings in the UAE and further expands its capabilities in strategic markets of the Middle East.

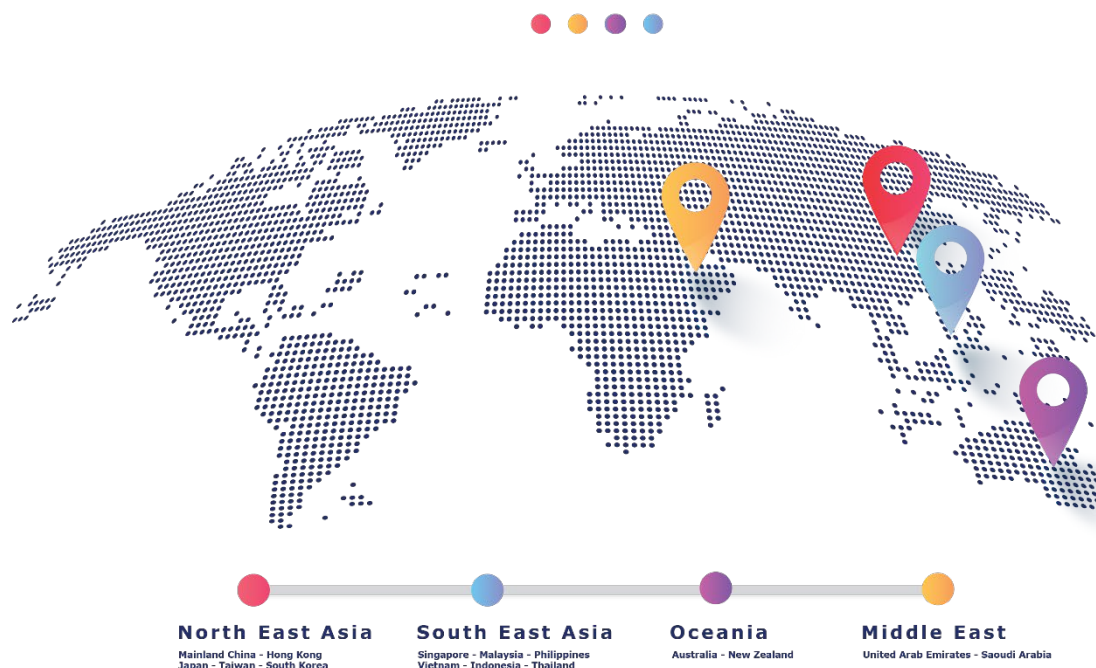

The newly integrated team will focus initially on providing audit and assurance services across the United Arab Emirates and support a wide range of clients across sectors, including high-growth emerging companies, privately-owned businesses, and large enterprises.

“Constantin aims to build a comprehensive one-stop-shop of multidisciplinary professional services in the UAE and the wider MENA region,” said Florian Quinquis, Managing Partner of Constantin. “The recent changes introduced for corporations in terms of regulation and taxation are opening new doors for professionals in the country”.

Commenting on the deal, Maxence Trubert, Partner at Constantin, added: “This expansion reflects our commitment to support our clients as they seek to drive their businesses into complex environments and dynamic markets. Leveraging audit technology, and local experience coupled with global insights is key to our global integrated approach.”

Gaenaelle Perrot, the newly appointed Regional Partner at Constantin Middle-East, expressed the team's excitement about becoming a part of the global powerhouse that is Constantin. She noted, "This move will not only enhance our compliance and audit services but also strengthen our position in the market, enabling us to deliver even greater value to our clients."
